Commission Denies Station Conversion

PLACENTIA — The Planning Commission denied a request for a use permit from Douglas Oil Co. to allow conversion of their service station to a self-service operation with a live-in attendant. The station is at Placentia Avenue and Orangethorpe Avenue.

Commissioners all agreed that the proposed mix of commercial and residential uses should not be allowed. They also felt that it was dangerous to have inexperienced people handling the gasoline pumps.

Commissioners also denied a request for a variance requested by Winthrop Evans to allow him to build an eight foot wall on the street side of his corner lot at 230 Swanee Avenue by a 4-2 vote with Hal Blair and Robert Lyons favoring the application.

Commissioners also approved a Van de Kamp Bakery sign to be placed on the Safeway Store on Yorba Linda Boulevard, approved a use permit to allow a fraternity to continue using the house at Placentia Avenue and Palm Drive, and approved a car wash and service station at Orangethorpe and Lincoln Street in Atwood.

Placentia Librarian Resigns; New Board Member Named

PLACENTIA — The resignation of Edith Thurston, head librarian for the Placentia District Library, was accepted by the library's board of trustees last Monday evening, July 19, during a special meeting.

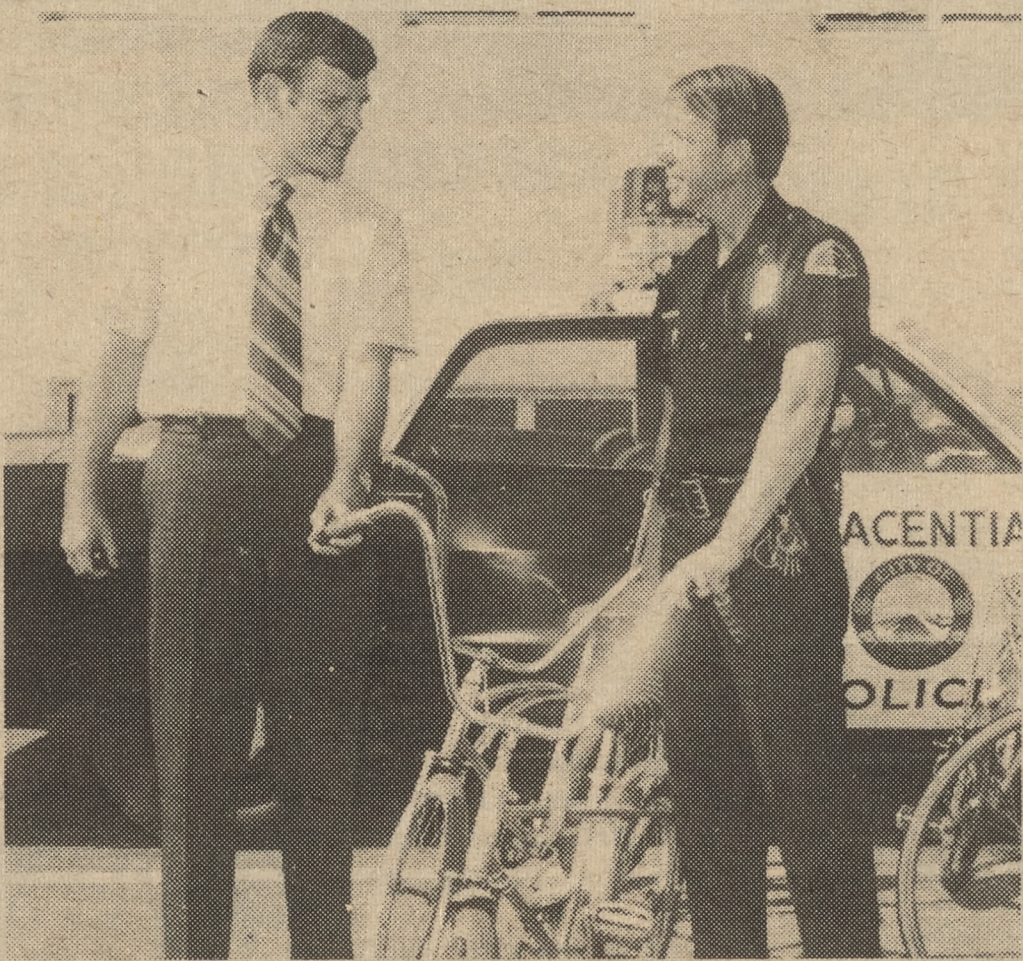

Board members also elected Kathryn McKnight to fill a board vacancy after interviews with three applicants. Mrs. McKnight will replace Robert Hubalck following the county board of supervisors' approval of her appointment.

Hearings Continue At YL Council Meetings

YORBA LINDA — Presentations by the Yorba Linda Little League, proponents of trails and a large number of letters from local citizens highlighted last Tuesday's session of the general plan hearings before the City Council.

The Little League opposed the extension of Richfield Road to connect with Valley View because the proposed street would go through their playing fields located on school district property. The Planning Commission recommended deleting the proposed extension.

Herb Drapkin, John Gamblin and Dr. Allan Zelter discussed adding a trails system to the plan

Placentia Police Agent Roger Gisler turns over several bikes to Jack Anderson of the recreation and parks department for use in the summer recreation program.

Hinshaw Reports Increase In Assessed Valuation

SANTA ANA — Assessed valuation in Orange County rose to over the \$4 billion dollar mark this year with a 6.4 percent increase over county valuation last year according to County Assessor Andrew J. Hinshaw.

Hinshaw commented that the

Library director David Snow discussed with the board an upcoming community survey to be conducted by the Junior Chamber of Commerce. Questionnaire items determining the public's use and satisfaction with library facilities were written up by the board to be included in the survey.

In other action the board also approved the purchase of three desks to be used by library personnel.

to accommodate hikers, horseback riders and others.

Mrs. John Skudris presented over 600 letters signed by citizens of the community requesting that the general plan be revised to show development for the city at an overall density of about 2.5 units per acre.

Mrs. Skudris commented that she did not represent a group of any kind but was presenting an expression of the views of the people of Yorba Linda. She commented, "We are calling on the City Council to honor the wishes of the vast majority of the citizens and pledge itself to adopting a general plan with the lowest density that is economically feasible."

low increase as compared with previous years was caused primarily by the completion of his six-year revaluation program begun in 1965.

Postcards stating the value of each property in the county were mailed last week. Taxpayers having questions on the valuation of their property should contact the assessor's office, 630 N. Broadway, Santa Ana or call 834-2941.

Valuations of local cities and districts are Placentia, \$49,517,080; Yorba Linda, \$33,654,680; Fullerton, \$263,030,955; Placentia Unified School District, \$166,127,300; Yorba Linda Elementary School District \$27,033,370; Fullerton Elementary, \$236,920,105; Fullerton Union High School District, \$498,292,304; and the North Orange County Community College District, \$1,432,618,361.

Percentage increases were, Placentia 9.2; Yorba Linda, 12.7; Fullerton 3.0; Placentia Unified, 10.5; Yorba Linda Elementary, 3.6; Fullerton Elementary, 1.5; Fullerton High School, 3.7; and Community College, 4.9.

Minor Accidents Involve Four In Yorba Linda

YORBA LINDA — Minor no injury accidents in Yorba Linda were logged by Brea Police last week. They included one on Saturday when autos driven by Carol Roberta French, 71, of Tustin and Jackie Dale Burns, 37, of Santa Ana collided at Rose Drive south of Wabash.

A minor collision at Yorba Linda and Fairmont was also logged. Drivers were Ezekiel Estrada Perez Jr., 19, Placentia, and David Saunders Pollack 27, of Yorba Linda.

YL Council Denies Appeal Of Center Signs

YORBA LINDA — The City Council unanimously denied an appeal by Thrifty Drug Stores and TG&Y of Planning Commission action on their singing program for the center at Yorba Linda Boulevard and Fairmont Boulevard.

Thrifty was requesting that the oval sign now in place be allowed to stay. A sign without the oval was approved. TG&Y wanted the addition of the words "Family Center" to their sign. This was denied.

Councilmen again continued

a public hearing on the formation of Maintenance District Number Two along Fairmont Boulevard north of Yorba Linda Boulevard. After much discussion between the council and residents of the area opposed to the formation of the district the council decided to continue the item to provide more information to the property owners.

Councilmen approved the drawing up of an agreement with Sidney Williams to make some improvements in the Cajon Canal to make it safer for horseback riders.

They also heard a statement by Mrs. Earl Kocher opposing the establishment of a trail system in the city because of high cost, use by only a small part of the population, and horse problems.

A request by Mrs. Robert Huff to build a fence along the Cajon Canal was continued because a full title report on the canal in that area was not yet available.

Burglars Caught In Local Home

PLACENTIA — Neighbors of the Gary Titzer family on Sao Paulo Drive were suspicious of activity on the home on 1355 Sao Paulo Drive. The Titzers were not at home.

Further investigation proved the presence of three teenaged boys in the house, rummaging through the contents of the home. The boys were wearing white gloves.

Two of the boys were surprised and caught by the neighbor, while the third was caught by Placentia Police who were called to the scene.

The boys were released to the custody of their parents.

LAFC Chops Placentia Annexation

PLACENTIA — The proposed annexation of 415 acres along Rose Drive to Placentia was drastically reduced by the Local Agency Formation Commission after a few property owners said they did not want to be included.

The original annexation included all unincorporated land south of Palm Drive, west of the Yorba Linda City limits and north and east of Placentia city limits including the Alta Vista Country Club.

LAFC reduced the annexation to include only the Kraemer property west of Rose Drive and the Bradford property south of Pine Street, about 100 acres.

City Administrator Edwin T. Powell stated that because of the action Placentia had lost its chance to annex the entire area before development takes place. He stated that the City Council was to discuss the matter at its meeting last night.

The annexation began when the Kraemers requested that their property be annexed to the city.

Morse School Is Victim Of \$1,000 Theft

PLACENTIA — Audio visual equipment valued at nearly one thousand dollars was stolen from Morse School over the weekend.

Custodian James Steele discovered the theft as he went about his duties on Saturday morning. He found the door of a storage room ajar, and after checking, found that a projector, a TV receiver and a recorder were missing from the room.

Local Library Budget Shows Fund Increase

PLACENTIA — A budget totaling \$399,074 with a tax rate of 34.31 cents per \$100 assessed valuation has been approved by the Placentia Library District Board of Trustees.

The budget represents a large increase over the \$112,480 spent in the last fiscal year due mainly to a budgeted amount of \$200,000 for structures and improvements.

Financing for the budget will come from a \$209,177 fund balance as of June 30 plus \$21,010 from interest, library fines and Xerox fees. The remainder of \$168,887 will be raised by the property tax.

Other budgeted figures include \$85,089 for salaries and employee benefits, up from last year's \$71,589, and \$44,560 for services and supplies, up from \$38,779 last year.

A total general reserve of \$64,825 will be maintained.

Bill Tynes Receives Fine Arts Scholarship

Bill Tynes, 14 of 134 Anned Dr., Placentia, is in receipt of a letter signed by Robert W. Miller, Camp Director of the Arizona State University Fine Arts Camp, announcing that he is the recipient of a tuition scholarship for the year 1972. The letter stated that on the basis of outstanding performance at the 1971 Fine Arts Camp, the award has been made.

Bill Tynes

Young Tynes, who enters his sophomore year at Valencia High school in September, has been a part of the music department of the school for several years and private lesson student under Linda Owen. His chosen musical instrument is the violin.

The Arizona State University Fine Arts Camp was held from June 27 through July 10, and drew devotees of the arts and humanities from California, Arizona, Utah, Idaho, New Mexico, Oregon and Tennessee.

Tynes was given the position of first violinist in the orchestra section of the camp program. He lived in the dormitory at the University, and participated in all camp affairs. He is the son of John and Clairee Tynes.

Parker Leaves PUSD For St. Louis Position

Placentia Unified Education Association President Kenneth Parker announced recently that he has accepted a position as regional uniserv director for the St. Louis Suburban Teachers Association.

Parker stated, "I have notified my principal at El Dorado High School and will submit my resignation to the school board immediately."

"I am very pleased and honored to be offered this position and will be joining an organization that employs five other professional staff serving 31 associations with nearly 15,000 teachers."

"I regret leaving the service of teachers and students of the PUSD. During the past several years the teachers of Placentia have made a definite commitment to the improvement of education in the PUSD; however, this has become a very difficult process with a district administration that is for all practical purposes inept and incompetent. Morale among the teachers is at an extremely low point."

"This condition can be placed squarely on the shoulders of the district administration which has

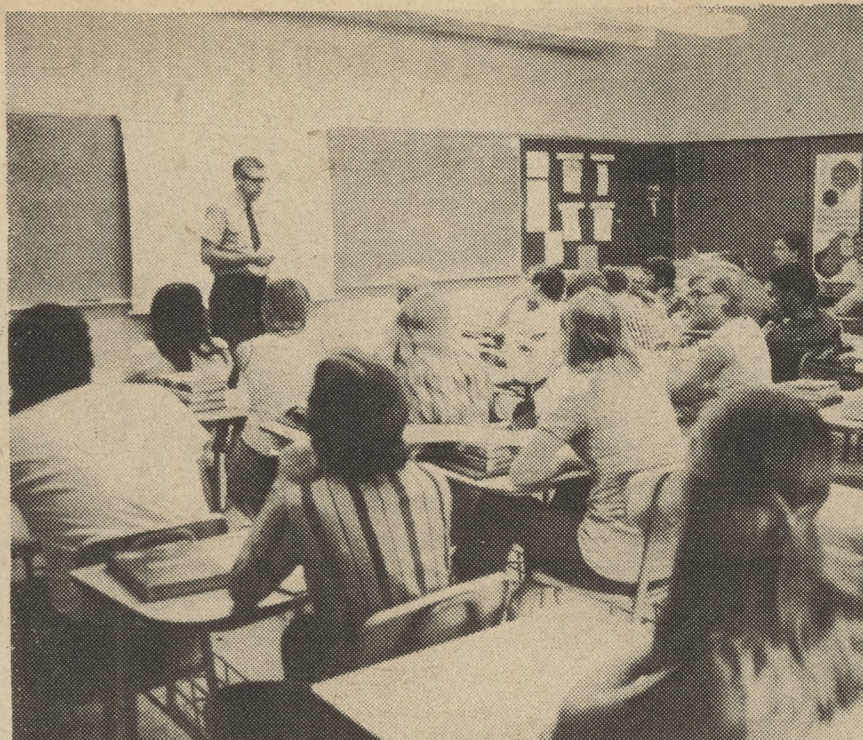

deceived the school board by passing off all problems by blaming them on a few dissidents within the leadership of the PUEA. This technique is ill-conceived and injurious to the entire educational program."

Presbyterians Set Summer Day Camp

A summer day camp for children will be held July 27, 28 and 29 at Starns-Lease Park in Brea from 9:30 a.m. to 2:30 in the afternoon.

Transportation to the park will be provided for each child. There is a registration fee of \$1.50 per child or \$2 per family. Further information can be obtained by contacting Mrs. Kraft at 524-6478.

Placentia Fire Captain Ken Mosley gave a class in emergency first aid measures to 40 members of the driver education and health class at Valencia High School last Friday. Above members of the class participated in a question and answer period after seeing the film "Breath Of Life."

Scouts Finish Intermediate Course In Boating, Sailing

Four girl scouts from Cadet Troop #709 recently completed an intermediate course in boating and sailing.

The girls, Wendy Allen, Lyn Cothern, Janet Mokren, and Dottie Modesett, with other scouts, enrolled in a beginner's boating class

earlier this year. This summer, the four girls, all from the Yorba Linda area, decided to take additional lessons from Mrs. Victor Alleman at Newport Beach. Mrs. Alleman, assisted by Mariner scouts, taught the younger girls the intricacies of canoeing, rowing, and sailing.

A test of the girls' skills was given the last day of class. Leaving from the Orange Coast College Crew Base, the girls were required to canoe completely around Lido Island, a trip which took almost two hours.

It is expected that the four sailors will continue on to an advanced boating course later this year.

'The Cotillion' Extends Membership Invitation

Regarding That Old Bugaboo: Bursitis

Particularly during this period of the year, that old bugaboo bursitis rears its ugly head to cause pain and suffering.

Although many people, particularly of middle age or past, suffer an attack of bursitis, few are aware of exactly what it is. "Because it can occur in different areas of the

body, a victim may think he has arthritis, rheumatism or neuritis."

"The pain may be familiar in all of these, but the difference lies in the cause of the pain," says Dr. Donald Brinkley

of the Chiropractic Centers.

Bursitis most frequently flares up in the shoulder, knee or elbow areas — which accounts for such terms as "housemaid's knee," "tennis elbow," or "shoulder strain."

According to Dr. Brinkley, wherever muscles, tendons, or joints need protection from friction or shocks, there are flat sacs so tiny they may not even show up on X-ray. Each tiny sac or bursa contains sufficient fluid to lubricate the area to prevent friction when pressure is applied.

"In other words," says Dr. Brinkley, "the bursa can be described as nature's shock absorbers. They cushion the areas vulnerable to stress."

If a bursa becomes irritated due to excessive stress, inflammation develops. "And this is what we call bursitis."

Dr. Brinkley adds that when bursitis reaches this stage, pain is felt as friction develops between the bursa walls and tendons and muscles, which are no longer cushioned by fluid.

"Failure to seek proper treatment at this time to reduce the inflammation and start the process of healing, may lead to

eventual overstretching and consequent rupture of the walls of the bursa," notes Dr. Brinkley.

Bursitis can be caused in many ways. "An injury or shock can start an irritation," says Dr. Brinkley. "So can a sprain, strain, jolt or continual stress. Or it can be irritated by unusual exercise or effort, or by overuse."

What are the symptoms of bursitis? Dr. Brinkley says that usually even limited movement in an affected part is painful. There may be swelling and tenderness. At first the pain may be a gnawing ache, eventually blossoming into sharp and excruciating agony. Such simple acts as combing the hair, shaving, or putting on one's coat becomes difficult if a shoulder bursa is involved. Sleeping is a painful process as it is hard to find a comfortable position.

As far as treatment is concerned, Dr. Brinkley warns that the inflammation must be reduced quickly and effectively.

"And the sooner the better, after the first symptoms are noticed. If care is obtained when pain first develops there's a good chance this painful condition can be nipped in the bud."

Whatever the case, proper treatment is the best precautionary measure to reduce the possibility of the case becoming chronic and resulting in permanent disability.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 415 W. Chapman - News Times Square, Placentia, Calif. 92670.

El Dorado Students Needed To Work On New Senior Quad

Work continues on the construction of El Dorado's senior quad, although more students helpers are needed to complete the project.

"If the quad is to be completed soon we need

people to come to the school and work," explains Mark Casciari, who is heading the project.

All El Dorado students are urged to contribute labor towards the construction of the quad.

John Granger is the contractor for the quad, the male students are needed to help him in his work. Girls are asked to bring cold drinks and glasses for the workers.

Work generally lasts from

11 a.m. to 3 p.m. on weekdays, and from 10 a.m. until 2 p.m. on Saturdays. Construction halts each Sunday. Helpers should bring straight-edged shovels and picks.

The quad will be located

between the administration building and theatron area. Its shape is irregular, with approximate lengths of 90 and 55 feet, and widths of 35 and 40 feet. A 32-inch wall will surround the quad.

Inside the wall will be a bulletin board, senior ticket

booth, "Hawk Block," and eight benches, all of which shop classes will construct. These will not be available until well into the school year. Also inside the quad will be six planters for trees, a drinking fountain, and an electrical outlet.

Steve Grosch, Doug Jaso, and Mark Casciari work on steel reinforcing for concrete footings at the El Dorado High School senior quad being constructed this summer.

Working on the senior quad project at El Dorado High School last weekend were, from left, Mark Casciari, Steve Grosch, Mike Stack, Dennis Delaney, Richard Baxter.

Equipment Necessary For Crafts

Sixth week of the Placentia Parks and Recreation Department Crafts programs starts on July 28, and children who plan to attend the classes in the various centers are asked to bring with them the following equipment with which to work: two juice cans, one small piece of cotton material and six large colored buttons.

Seventh and eighth weeks are from August 2 through August 9, and the needed equipment is, one hair spray can with lid, two empty toilet paper rolls and one pine cone, (medium size). The final week will be needed, two rocks, one the size of a tennis ball, and the other of a silver dollar, and two berry baskets.

"Response from the parents and children participating," stated Mrs. Beulah Carlson, director of the Crafts, "has been very good." The plan to have the children bring their own needed items was inaugurated this year as a method of teaching sharing.

Lawrence Kraemer Honored

Lawrence Kraemer, Placentia pioneer and charter member of the Placentia Chamber of Commerce, was honored at the luncheon meeting of the C. of C. Thursday, July 16 at the Alta Vista Country Club.

Kraemer was presented with a certificate of respect

Placentia arts and crafts leaders at Brookhaven School. Edith Schreur and Sue Jones, back, supervise crafts participants, front from left, Tracy Swan, Greg Wilson, John McCune and Amy McCune.

Karla, and Connie who arrived July 5 from Highland, Illinois.

Klaus, a jobber with Shell Oil, flew his family to Southern California via TWA 727 for their first trip to California. After visiting all of the points of interest, and the kids enjoyed Disneyland most of all, the family returned to their home in Illinois July 15. The Klaus family found it unfortunate to have missed nephew David, 18, who now in basic training at Lackland Air Force Base, Texas.

from the Chamber for his long standing interest in civic betterment and was made a life member of the C. of C. with all the rights of membership. A.S. "Bud" Bradford, president, presented the certificate to Kraemer.

Snow Reports Area's Annex To District

David Snow, director of the District Library, reports that approval has been given by the LAFC for the annexation of Atwood into the Library district. The library has been working with the Atwood district in bringing books to the center there for several weeks under a plan called "Amigos," now according to Snow, it is made legal by the LAFC to do so.

Preparing for Sunday's rabbit show at La Palma Park are, from left, Patti, Linda and Diane Myers with English Spots rabbits. Some Netherland Dwarf rabbits owned by Margaret Bemis of Placentia are on display this week at the Plaza Pet Shop in the Placentia Plaza.

Police Department Decorates Offices In New Color Shades

Misty blue or sea mist green, as one sees it, is the new color effect in the Police department face lifting. Offices have been undergoing a "cleanup and paint up" for several weeks, and the new decor is effective, so stated several of the employees who work in the Police department.

"As the personnel of the department", said Chief of Police Norman Traub, "spends a great portion of their working time in the office, the subdued color effect is conducive to better working conditions and quiet efficiency."

Renovation of the department facility is practically completed, with each officer having an office all their own. Although not

large, the offices do give an air of privacy to the work of department heads, stated one of the employees.

Secretary and Bookkeeper, Mrs. Audrey Alevisos and custodian and gardener, Joe Huffine are responsible to the director, while the principal librarian, presently Mrs. Anne Thurston, is assisted in the library work by the staff.

Some changes on the organizational chart show correct titles for the members. Children's Librarian is Mrs. Joy T. Antos. Carrying the new title of technician are Mrs. Maxeine Timme, audio-visual; periodicals, Mrs. Rea McDonald; historian

and reference, Miss Virginia Carpenter, who will be assisted by Lorie Guiles; special services, Mrs. Betty Solesbee, and Page Supervisor, Mrs. Barbara Wegner. Presently working as pages in the library are Doreen Delgado, Jan Thomas and Peggy Vincent.

She was presented with a "going away" gift by her fellow workers.

Library Committee Plans Architectural Field Trip

Members of committees appointed by the City of Placentia and the Placentia District Library have planned a field trip for July 24 to study architectural designs of city buildings and libraries. The object, according to James Park of the city and David Snow of the library, is to acquaint themselves with the work done by the architects, the list has been narrowed down

to 8 at present, and study the functional designs.

July 27 the committee will meet again to thoroughly go over each one's evaluation and digest what they have seen. Following this meeting a recommendation will be made to the city council. It is not clear, as yet, whether only one architect will be used or a combination to design city facility and library.

Annual Commerce Banquet Planned For September 11

September 11 was selected as the date for the annual banquet of the Chamber of Commerce at the meeting Thursday at Alta Vista Country Club.

A new pattern for the banquet has been established, according to T.A. Shinn, Jr., chairman, in that recognition will be given at that time to an outstanding citizen of the year—one to a man and one to a woman.

It has been voted upon and accepted that the award need not go only to persons living in the city, but, perhaps to someone spending working hours here, although living in a different city. This, according to Shinn,

Beckman Resigns From Troy

Walter Beckman, principal of Troy High School, who this year received his doctorate, has announced his resignation.

Dr. Beckman is taking a position as a professor of school administration at California State College in Fullerton. He has been in the Fullerton district since 1964, coming from Twenty-nine Palms.

A replacement for Beckman will be announced later by the Board of Trustees of the Fullerton Union High School District.

broadens the base of the choice, and lends itself to giving recognition to persons who give many hours to civic improvement.

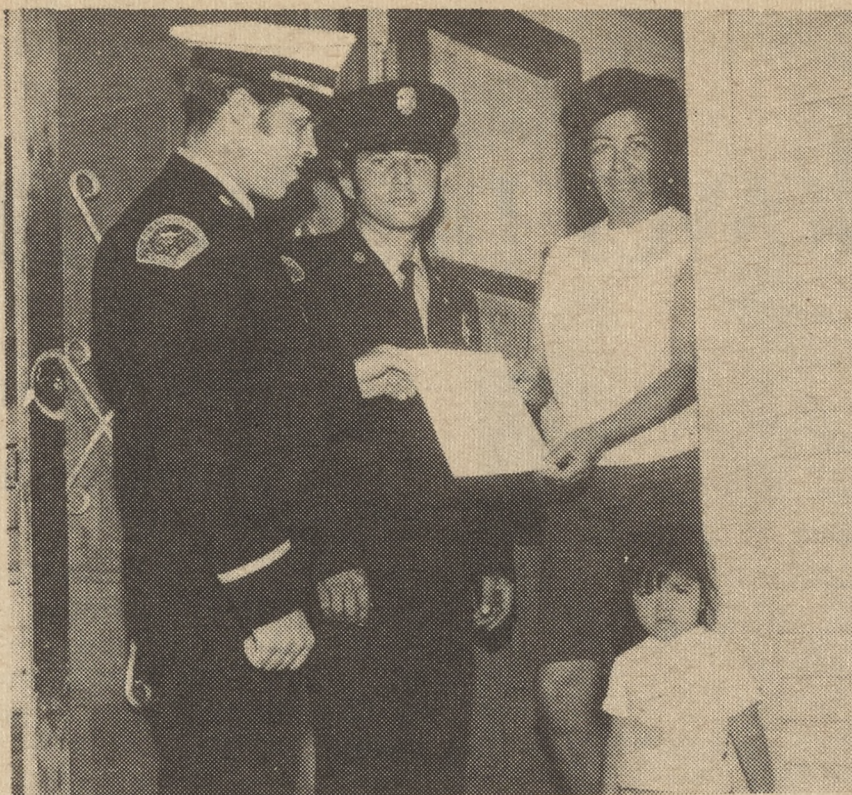

Definite plans for the affair have not been completed, but it will be held at the Alta Vista Country Club.

YL Country Club Holds Tournament

On July 13 the weekly golf tournament at the Yorba Linda Country Club was held. The tournament was called Three Blind Mice, which consisted of 18 holes of golf, throwing out the three worst holes and taking full handicap. There were fifty-four entries and the winners were, A Flight, Donna Barton with a net of 52; a five way tie for second between Ann Carnahan, Ann Douglas, Jan Bennet, May Beth Crispino and Joan Hillbert, all with a net of 55. Doe Lauritzen placed third with a net of 57.

B Flight winners were Lila McHugh with a net 52 in first, Bea Morgan with a net 53 second, and Elsa Wisa placed third with a net 55.

C Flight winners were Elaine Reynolds with a net 51; Doris Rousey second with a net 53; and Gloria Stone tied for third with Sylvia Norby with a net 56.

Placentia Fire Captain Steve Brown and Fireman Steve LaMunyon present letter showing new Atwood house numbers to Mrs. Esther Gonzales. Watching is Mrs. Gonzales' niece Mona Aguirre. Firemen distributed the new numbers earlier this week.

Muckenthaler Center To Present Mexican Fiesta

Plans are underway for an exciting Mexican Fiesta to be held Sunday, August 8 from 1 p.m. to 6 p.m. at the Muckenthaler Cultural Center, 119 Buena Vista Drive, Fullerton. The Fiesta will be the highlight of the upcoming gallery exhibition entitled "A Child's Art: Jose Clemente Gae Orozco". The exhibition features the works of the twelve year old grandson of Mexico's most famous contemporary artist, Orozco.

In addition, the Center will host an art competition open to all Northern Orange County children, grades kindergarten through eighth. \$100 in cash prizes will be presented.

The Fiesta will feature the exciting mariachi band, "The Zavala Brothers" and "El Pobre Bohemio", a one-man Mexican band; plus singing, dancing and Mexican foods prepared and sold by Mexican youth groups from Fullerton and Placentia. Admission is free to the public.

Mrs. Lawrence Ballard, a member of the Board of Directors of the Muckenthaler Center, is exploring avenues of funding to underwrite the round trip air fare of the Orozco family from Mexico City to Fullerton, for the event.

New Street Numbers Assigned In Atwood

New street numbers have been assigned to homes in the recently annexed Atwood area by the Placentia Public Works Department.

The new numbers will facilitate possible home mail delivery in the area, make finding homes easier for emergency services, and bring the numbering system into conformance with the

total city numbering system.

A letter was distributed by the fire department to each building in the area Monday. The letter, written in both English and Spanish, listed the new number and requested residents to post it on their houses as soon as possible.

Mr. and Mrs. Michael Weesner and daughter Catriona, age three, 330 Bagnall Avenue, Placentia motored to Topeka, Kansas on June 27 to visit Weesner's parents, his sister and his twin brothers. The Weesners enjoyed their scenic drive home and visited the Painted Desert and the Petrified Forest in Arizona. They arrived at their home in Placentia July 10.

White Knights Finish Bob-Etts Season With Undefeated Record

The White Knights in the Minor division of the Bobettes Parks and Recreation Softball League, won the World Series plus their own American Division with a 22-0 record. This is the first time in Bobettes history that a team has gone

undefeated for a season.

On Thursday the White Knights beat the Green Chargers 12 to 4 as Kathy Ricks had seven strike outs and Jeanne Callahan went three for three.

The White Knights made it two in a row to win the World Series by beating the

Green Chargers 19 to 9. Margie Press made an outstanding defensive catch in the third inning, and was carried off the field by her enthusiastic team-mates.

The Green Chargers and the Roadrunners played off a first place tie in the minor National League and the Green Chargers rallied in the sixth inning and scored five runs. Debbie hit a home run in the seventh inning to win the game for the Green Chargers, 10 to 9. Debbie Bradshaw also hit a home run earlier in the game. Val Schmidt went two for three as did Tracy Martin for the Green Chargers.

In the Major League, Los Diablos played two days in a row vying for third place in the Major American Division. Monday found the

Los Diablos beating the Badgers 12-10. Pat Fitzgerald pitched a five hitter as Sue Ashford went three for five and Linda and Marie Tronskie went two for four. Tuesday the Los Diablos won third place in the major American division by beating the Patriots 13-11 on home runs by Angie Bunche and Pat Fitzgerald and a sensational catch by Patti Ashford.

In the World Series playoffs Thursday, Friday and Saturday, the Ruddy Ducks and the Warriors, both winners in their respective divisions, played the first game Thursday. The Ruddy Ducks won 6-4. Peggy Crawford hit a home run for the losing Warriors. Friday again found the Warriors battling the Ruddy

Ducks with the Warriors coming out on top. Peggy Crawford hit a home run as pitcher Angie Shryrock pitched a seven hitter plus going two for three at the bat. Cathy Burkey also pitched a seven hitter plus going two for four at the bat. Teammate Pat Zerger went

two for five.

On Saturday the game was for the Championship title, for the Major League. The Warriors gained the Championship by beating the Ruddy Ducks 8-5. Vivian Lawson had the heavy bat for the Warriors going three for four, including a triple.

El Dorado Faces Top Teams In Summer Play

This week at the Brea frosh-soph summer basketball league, El Dorado will face the two top teams.

Tommorrow night the Hawk's meet second place Sonora who won the first contest 51-29. Last night the cagers met first place Sunny Hills in hopes of an upset that would help ED into the playoffs.

Only the top four teams will make the playoffs and right now EDHS is in fourth and Valencia is in fifth. Next Tuesday will probably decide the fourth place team as the Tigers meet the Hawks.

Last week, El Dorado beat Brea 52-29 and lost to Troy. Valencia meanwhile lost to Sonora but beat Troy.

Players jump for the ball during recent action between El Dorado High School and Troy High School in the Brea Frosh-Soph Summer Basketball League last week.

ED Waterpolo Team Beats Kennedy 22-2 Tie Exists In Local Slo-Pitch

El Dorado's waterpolo team massacred Kennedy 22-2 to stay in contention for a summer league championship.

Coach Walter Druff's team started out fast with Mike Wiegand scoring three of the Hawk's five first quarter goals. Kennedy was unable to score off goalie Guy Antley from the field, but managed two penalty shots.

El Dorado is now 2-1 with first place Fountain Valley 3-0. The Hawk's only loss was a 7-6 heartbreaker to the first place Barons.

Placentia summer Adult Slo-Pitch league moves into the second round of play with Tonsorial One and the What's Its deadlocked in a tie for first.

Tonsorial moved into the number one slot on a 20 to 4 win over the What's Its. The league's champion will represent the City of Placentia in the Southern California Municipal Athletic Federations Slow Pitch regional finals at Westminster in August.

League play continues with games each Monday and Wednesday evenings on the Tuffree Park diamonds.

Hawks Win Fourth Game In Streak

El Dorado #2 has won four straight in the Valencia Summer League.

Now in third place with a 4-2 first round record, El Dorado beat Sunny Hills by one point last Monday to break a tie for third. Gary Burnett and Tony Madau led the scoring with 17 and 10 points. Burnett scored 16 and Mike Farra 12 to beat Valencia #2, 46-36. However, it was Madau's hustle on defense that caused Valencia numerous turnovers and the Hawks a chance to score.

With the return of letterman, Harry Dow of Brea, the Wildcats beat EDHS #1, 51-44. The Hawks were without center Jeff Van Winkle and had leading scorers Mark Dryer and Bruce Osterstrom fouled out with five minutes left to play. Dryer had 14 and Osterstrom 12 with Chris Jones scoring seven. ED #1 is now 2-5.

ED Pepsters Attend San Diego Training

El Dorado's drill team, flag twirlers, and two Junior Varsity cheerleaders spent four days at the University of San Diego last week in preparation for the 1971-72 school year.

Even though the JV cheerleaders were missing three members, Vickie Kenney and Sue Mead won

first place in competition every day at camp. Vickie and Sue also won a first place overall trophy and a most improved trophy.

El Dorado's drill team won a first place trophy for their Toy Soldier routine. The newly added flag twirlers won a hardest working trophy.

Wagner Wins Wrestling Contest

Tim Smith, Wagner School fourth grader recorded six consecutive pins to lead the Wagner Elementary School to a lopsided victory over all elementary schools in the Placentia Unified School District Saturday June 26.

A crowd of 500 cheered the little guys as they went at it during the first annual Placentia City Kids Wrestling Championships. Wagner Elementary had seven champions on their way to scoring 120 team points way ahead of St. Joseph which was a distant second with a 46 2/3 team points.

The Championships concluded the pilot wrestling program initiated by Chuck Smith, wrestling coach at El Dorado, under the sponsorship of Jack Anderson, recreation director for the city's recreational program.

High School wrestlers were assigned to the schools preparing the youngsters for this championship tournament after 10 weeks. Over 100 young boys from 6-14 took place in this program.

Sean Armstrong, Tuffree eighth grader thrilled the crowd with an electrifying 12 second pin, the fastest of the tournament. Todd Duncan, Wagner sixth grader was close behind with a fall in 14 seconds.

Police Chief Norman Traub, Placentia-Yorba Linda Lions Club President Leonard Bishop and Jaycee President Bruce Yoakum were on hand to make presentation of the awards to the winners.

The newly formed Placentia-Yorba Linda Lions Club provided the personnel to run the tournament. Officiating was aptly done by wrestlers and

coaches from Cal-State Fullerton, Cypress College, and Fullerton Junior College.

The response from boys and parents alike to continue the program has encouraged the Placentia Recreation Department to extend the program during this summer at both Valencia and El Dorado high schools. The time schedule for each school is Valencia, 6 to 9 p.m., Monday, Wednesday, Thursday, and Friday; and El Dorado, 4-6 p.m. Tuesday, Thursday, and Friday.

The El Dorado High School wrestlers who donated their time and talent to this worthwhile program were Richard Mckidley, Steve Hyams, Jack Murphy, Randy Fenwick, John Gorham, Mike Fleming, Dan Mann, Paul Cooper, Jeff Johnson, Tom Smith and Rick Ruth. Valencia High School Wrestlers involved in the program included Clark Whiting, Steve Brown, Richard Sameniniago, Dean Chavez, Russell Hanand, Larry Lopez, Dave Fustrom, Jeff Dobyns, and Ken Sarkis.

Not long ago, only kind of film or negative was used for studio portraits - black and white. When the portrait was printed, you had three choices of finish - black & white, sepia toned and oil colored by hand.

Now you almost need a short course in photography to know what to ask for in a studio or to know what we are talking about when we use 'living color', 'dramatic silvertone', 'soft gold tone', 'deluxe oil' etc.

In our portraits we use two kinds of film or negatives - black & white and color. For a portrait made from a black & white negative, you have the same three choices - black & white or silvertone, sepia or gold and bronze tone, and oil colored by hand.

We still feel that there is a place for black & white photography and some people still prefer a well done hand colored portrait to some color prints.

When we speak of 'natural' or 'living' color, we are talking about portraits made from a color film or negative. All of the prints you have made from this type of negative will be in color.

You can print black & white pictures from a color negative, although the quality won't be as good, but you cannot print natural color pictures from a black & white negative.

People have seen poor color from the corner drug store for so many years, it is hard to realize how beautiful a well made color portrait can be.

If you think that just because a picture is taken on color film it will come out exactly that way - don't you believe it.

The same negative can be printed to accent any color of the rainbow. It takes a skilled technician using the right combination of sensitive filters to get the color perfect. Then the finished print is textured and matte sprayed.

A custom portrait made in natural color and skillfully textured can be proudly displayed among your oil paintings.

Briggs Nixon Freeway Bill Now Goes To Senate Floor

Assemblyman John V. Briggs announced last week that his ACR 40, a resolution designating a portion of Route 90 as the Richard M. Nixon Freeway, cleared the Senate Ways and Means Committee. It will now go to the Senate Floor. Senator James Whetmore (R), a co-author of the resolution, will present it on the Senate floor today.

The proposed route will extend from just north of the Los Angeles International Airport to the Riverside Freeway in Yorba Linda. It is proposed to go through the city of Whittier where President Nixon was raised, and through his birthplace, Yorba Linda.

Briggs has introduced similar resolutions during the last two sessions, both of which failed in the Senate Transportation Committee.

Library Plans Trip To Old Globe Theater

On September 11, the Friends of the Placentia Library invites their members and the public on a trip to Old Globe Theatre, to see the matinee of Shakespeare's "A Midsummer Night's Dream."

Transportation will be made available by chartered bus at a price of \$7.50 for adults and \$5.50 for students. The bus will leave the Placentia Library at 9 a.m. and return at 7 p.m.

Seats are available by calling 871-4625.

Malmins Host Seattle Guest William Ashe

Mr. and Mrs. Stanley Malmin 4791 Hamer Drive, Placentia, enjoyed a visit from Mrs. Malmin's brother, Bill Ashe, who arrived from Seattle, Washington July 9.

Ashe toured the area with Mexico being a highlight, but found Southern California beaches to be the main attraction for rest and relaxation, and returned to Seattle on July 16.

Mr. and Mrs. Malmin, and young children Michael and Stephen are new residents to Placentia after moving here in January from Seattle.

Cathy Lucas Honored By Co-Workers

Cathy Lucas, who has been employed as clerk in the Placentia Police Department, was honored at luncheon Thursday, July 15 at Remond's Restaurant.

Mrs. Lucas resigned, as her husband, has been transferred to San Diego where they will make their home.

Chief Norman Traub was host of the affair which included Rosalinda Espinoza, secretary to the Chief; Sally Lee Dausch and Addie DeWees, dispatcher-clerks; Lt. Walter Pichon, and Policeman John Ema.

Briggs commented, "This is the first time my Nixon Freeway Resolution has even reached the Senate Floor. I am hopeful that this session will see its passage."

Kamin Reports Commercial Committee Success

Norman Kamin, who was chairman of the Commercial Development Committee of the Placentia Chamber of Commerce for the year 1970-71 and who developed the promotional plan of "Shop in Placentia," stated that he was pleased with the results as they appeared in the advertising

section of the News-Times.

Kamin is being succeeded in that chairmanship by Raul Lomas, and it was stated that the plan will be carried forward into every part of Placentia for all events of city wide interest.

Os Rotherham, who

represents the local organization in the Federated Chambers of Commerce, read a letter from the Rathbone, Kay and Seeley Insurance company, signed by D.T. Grant, who asked for time to explain to the Board of Directors group insurance and benefits. The matter was

referred to the executive committee.

Raul Lomas of the Security National Bank and treasurer of the Chamber was the speaker, and graphically portrayed his life in Cuba, and his escape from that regime. Lomas was well received by those present.

Grant Boys Opens New Facility In Anaheim

Celebrating its recent grand opening is the new Grant Boys store located at La Palma and Magnolia avenues in Anaheim.

This store is the second for the expanding company which opened in 1949 in Costa Mesa as a surplus store.

Grants now features three major departments, clothing, camping and sporting goods and guns. The clothing department features over 40,000 pairs of levis.

The camping department features the largest, most complete line of Coleman products in Southern California plus everything in camping gear.

In guns the store has over 1000 rifles, shotguns and hand guns representing every quality gun manufacturer.

Trini Lopez, the famous singer of Mexican Ballads owns the chain of Restaurants, known as Trini's. One, in Anaheim, at Brookhurst and Ball Road is just a few minutes away from us, and for remarkable Mexican Food, in a charming atmosphere, Trini's is hard to beat.

In the spirit of Fiesta de Julio (July Feast) each of the next three weeks, brings an advertised and banner special addition to each meal. This week, Trini's is offering a free serving of an appetizer, Chili Con Queso, with each meal. The special

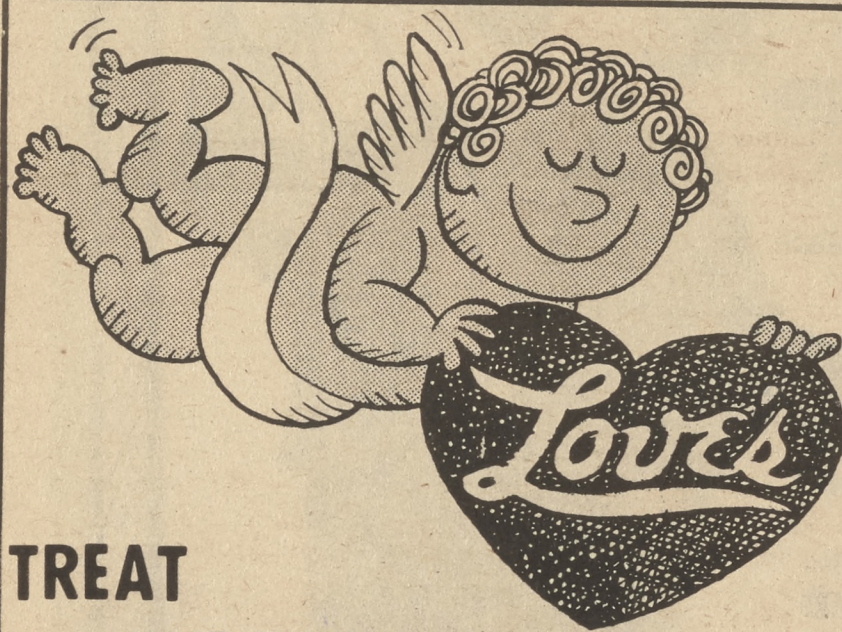

will change from week to week, according to the management.

Last Thursday, July 15 Trini's was overflowing with pulchritude in the presence of sixty young beauties who are contestants in the Miss California World Contest. The lovely ladies had lunch at Trini's.

Ron Pearce, right, practices a routine with other members of the Young Ambassadors from Brigham Young University.

Ron Pearce Goes On Europe Tour

Ron Pearce, a 1970 graduate of Valencia High School who is currently studying pre-dental at Brigham Young University in Provo, Utah, recently returned from a 2½ month USO tour to Europe.

During the tour he and 14 others in the BYU Young Ambassadors, who come from all over the country, visited Germany, Holland, Switzerland, Italy, France, England and Belgium entertaining American servicemen stationed there. The tour lasted from April 13 to June 19.

Pearce, who was in the vocal ensemble and drama group at Valencia, is the son of Mr. and Mrs. Finley Pearce of 19621 Crestknoll, Yorba Linda.

Faith Baptist Has Youth Minister

Youth will be the keynote of summer activities at Faith Baptist Church in Yorba Linda.

Coordinating this special youth emphasis is a young minister from Dallas Theological Seminary, 24-year-old Von Parunak.

In addition to twice-weekly meetings with the young people, in which discussions are enlivened by the use of guitars and overhead projectors, many lively outside activities such as grunion hunting, are also planned.

The young minister has also been serving in a broader capacity at Faith Baptist Church during the month-long absence of Pastor J.C. Brumfield.
